

BIG BRUTE SKIP TIP WET & DRY

DRY MATERIALS AND LIQUIDS

The Big Brute Skip Tip Wet & Dry is ideal for heavy waste that isn't so free-flowing.

Suck up your waste and when it's full, use your forklift to lift the whole machine up and over your skips.

The hand-operated hydraulic pump tips the drum over and empties all the waste directly into your skip. When empty, flick the directional valve and return the drum upright.

Alternatively, drain the liquid out via the drum's drain valve, then tip out the sludge and solids.

Power	3 x 1.2kW motors (3.6kW in total)			
Voltage	230V or 110V			
Dimensions	1610mm (H) x 1230mm (L) x 1060mm (W)			
Empty Weight	165kg			
Usable Capacity	Dry Mode	Wet Mode		
	190 litres with Standard Primary Filter fitted	153 litres with Overfill Protection Float Filter fitted		
	150 litres with Extra Large Filter fitted			
Filters	Dry Mode	Wet Mode		
	2 x Polyester Felt Primary Filters	Overfill Protection Float Filter		
Hose	63mm diameter polyurethane with steel bends and rubber couplers (3 or 5m length)			
Drainage Valve	1.5" (38mm) diameter			
Trolley	Heavy duty, 4-wheeled trolley with 2 front fixed solid Nylon wheels and 2 rear solid Nylon braked castors. Hand-operated hydraulic tipping system with directional valve			
Basic Tools	1 metre long, 63mm diameter aluminium Scraper Tool			
Cable	10 metres of 3-core, 2.5mm ² core diameter cable with 16A (230V) or 32A (110V) Plug			
Air Flow (max)	486m ³ /hr			
Vacuum (max)	2400mm H ₂ O (236 mbar)			
Sound Levels	82dbA <i>Average measurement taken at 1.6m above ground at 1m from the centre of the power unit</i>			
Conformity with Specialised Standards	L-Class	M-Class	H-Class	ATEX
	NO	NO	NO	NO

OPTIONAL UPGRADES

- Compressed Air Power Unit (non-electric)
- Drum with 1.5" or 2" diameter drainage valve
- Stainless Steel (all stainless or contact parts only)
- Anti-Static Power Unit and Hoses
- Custom Colours

ACCESSORIES

- Floor, Wall and Ceiling Toolkits
- Extra Large Primary Filter
- Drain Hoses with connectors for 2" diameter drain valve option (1m to 20m in length)
- Suction Hose Coupler
